Mostyn Community Council Financial Assistance Policy

Mostyn Community Council budgets a sum of money every year for discretionary grants to voluntary and not for profit organisations, meeting the needs of residents of the Mostyn community .

These grants are limited and are made available to organisations that address a demonstrable need for financial assistance.

The Council considers such grants once per year in January unless the application is time sensitive.

Please note that there is a limited budget set aside each year for community grants. In order to assist as many eligible groups and organisations as possible, the sum applied for may not necessarily be the amount received.

Mostyn Community Council grants are made for the benefit of people and projects local to the Mostyn community. The grants are not intended to support everyday running costs but to enhance activities and enable the participation of more local people.

Mostyn Community Councils Financial Assistance Small Grants Scheme will **NOT** fund:

- Individuals
